

# 3rd Grade

## Morning Clubs

### Grade 3 STEM

Thursdays 7:45 to 8:30 (1 Session) Lead by Mr. Mark Panas

Third grade STEM Club will explore inquiry-based Science, Technology, Engineering and Math activities. This hands-on club will encourage students to explore and wonder about the world. The club will provide opportunity for meaningful STEM learning in a supportive and fun environment.

Location: STEM Makerspace Room

1 Session (20 students in total)

### **Grade 3 Active Bulldogs Club**

**Tuesdays 7:45- 8:30 a.m.** (fall) 1 session Lead by Bob VanDeBoe

*Active Bulldogs* will offer students a chance to start their morning off with some activity to energize them and prepare their bodies for learning. Each week, *Active Bulldogs* will include activities to extend the learning of the PE program. This club will provide time for students to apply skills they are working on in class through games and activities. Examples of activities include: Chasing and Fleeing Games, Small Sided Soccer, Football Activities, Throwing & Catching Activities, Basketball Games, Cooperative Games, Jump Rope Activities, Climbing Stations and other Fitness Activities.

<b>Location: Gym</b>
Room Gym

<b>SESSION 2 MEETING DATES</b>
<b>7:50- 8:30 AM Tuesdays (winter - spring)</b>

#### **Session 2 Dates (Winter - Spring)**

1/21	1/28	2/4	2/18
2/25	3/3	3/10	3/17
3/24	3/31		

## **Afternoon Clubs3/**

### **Grade 3 Garden Club**

**Wednesdays 3:05- 3:45 p.m. All Year Lead by Sue Schoenfeld**

The purpose of the Garden Club is to introduce children to gardening, conservation, protection of wildlife, and an appreciation of nature. The Garden Club grows food for "them" (butterflies) and vegetables for us. We have fall garden cleanup. We will harvest seeds from the garden, plant milkweed, nectar plants, and herbs. We also learn about and set up a compost bin. On cold or bad weather days, we do related indoor projects in addition to using the Forrestdale greenhouse. We will learn about and plant herbs, sprouts, hydroponic plants, and make pots.

**All year**

9/18	9/25	10/2	10/16
10/23	10/30	11/13	11/20
12/4	12/11	4/1	4/22
4/29	5/6	5/13	5/20
5/27	6/3	6/10
