Dear REF Supporter:

The Rumson Education Foundation (“REF”) extends its sincere appreciation to all local families and businesses that helped to make our fundraising initiatives this year an overwhelming success through their generous donations, sponsorships, and support of the REF’s Dance with your Darling, The Rumson Kitchen Tour and The Celebration for Education.

We thank all of our attendees and guests and encourage you to patronize the local businesses listed on the attached pages. As the use of technology in the classroom expands coincident with reductions in State funding for public schools, your support is needed more than ever. We thank you for your ongoing commitment to the Rumson schools and our community.

With gratitude,

The Rumson Education Foundation
